## **200 Mbps Internet access for Videotron customers in Québec City**

**Montréal, May 17, 2012** – As announced in March, Videotron is launching Ultimate Speed Internet 200 today, bringing its residential and business customers in Québec City Internet access service of unprecedented speed. With moving season approaching, Videotron is reaffirming its status as Québec's top Internet service provider by introducing a robust, reliable, super-fast access plan.

Québec City residents who subscribe to Ultimate Speed Internet 200 will enjoy download speeds of up to 200 Mbps and upload speeds of up to 30 Mbps. The package comes with a monthly data cap of 200 GB for downloads and 50 GB for uploads for residential customers. For business customers, the cap is 320 GB for downloads and 180 GB for uploads.

### **Powerful, evolutionary network**

Videotron, Québec's telecommunications and entertainment leader, will be able to leverage the potential of its hybrid fibre coax network to continue offering its customers ever more advanced services.

Ultimate Speed Internet 200 is available to families starting at \$199.95 per month and to businesses starting at \$256.95. For more information, visit [videotron.com/service/internet-services](http://videotron.com/service/internet-services)
