Videotron named one of Canada's Top 100 Employers

The company is the only telecommunications provider on Mediacorp Canada's 2027 ranking

Montréal, November 20, 2026 - Driven by the commitment and talent of its thousands of employees across the country, Videotron is proud to be recognized as one of Canada's Top 100 Employers in Mediacorp Canada's 2027 ranking and the only telecommunications company to earn a place on the list. Released this week, this annual ranking highlights organizations that stand out for the quality of their human resources programs and for their inspiring, engaging work environments.

As part of the 2027 edition, Videotron was recognized for the quality of its work environment, its health- and family-related benefits, its total rewards program, and its commitment to the communities it serves.

"We are very proud to see Videotron recognized as one of Canada's Top 100 Employers. This distinction reflects the contribution of all our colleagues, who bring the unique culture of Videotron, Freedom and Fizz to life every day, and I thank them sincerely for it. I would also like to recognize the work of our Human Resources team, which strives to provide a stimulating workplace where every employee can thrive. This recognition motivates us to continue enhancing the employee experience in step with the needs of our teams and the evolving world of work," said Pierre Karl Péladeau, President and Chief Executive Officer of Videotron.

To discover the winners of the 27th edition, visit the 2027 Canada's Top 100 Employers ranking published by Mediacorp Canada.

Videotron is continuously seeking talented and committed individuals eager to contribute to major projects designed for consumers in Quebec and across Canada. Career opportunities in a variety of fields are available online.

About Videotron

Videotron, a wholly owned subsidiary of **Quebecor Media Inc.**, is an integrated communications company engaged in television, entertainment, Internet access, wireline telephone and mobile telephone services. As Canada's fourth wireless service provider, Videotron is a strong and highly competitive player, with 4,620,700 mobile subscriber connections as of September 30, 2026. Videotron is also a leader in new technologies with its **Helix** home entertainment and management platform. As of September 30, 2026, Videotron was serving 1,747,900 subscribers to its Internet services, 1,221,800 television customers as well as 509,300 to its wireline telephony service. Finally, Videotron has taken the coveted title of ''most respected telecommunications provider in Québec'' for the 20th time since 2006, according to the 2026 Léger Reputation survey.
